ABOUT US

*Connecting Markets.
Creating Opportunities.*

Namlow International is an international trading company backed by **35 years of industry experience**, specialising in the master distribution, brokerage, import and export of fast-moving consumer goods (FMCG). We trade in a diverse range of products, including **confectionery, groceries, snacks and beverages**, connecting suppliers, brands and buyers across South Africa, Africa, the USA, Canada, the UK, Europe and the Middle East.

Through our established industry relationships, international trading network and commercial expertise, we help facilitate cross-border trade, access new markets and create opportunities for sustainable business growth.

With a growing portfolio and a strong focus on international market opportunities, Namlow continues to build connections that bring products and businesses together across the global FMCG sector.

What We Do

Namlow International operates across multiple areas of international FMCG trade, providing flexible commercial solutions to meet the needs of our partners.
